Details:

Concorso Italiano: You must pre-register your Opel at www.concorso.com, if you plan to show it at this incredible event.

Note 1: You must be on the way to the show field no later than 8:30 a.m., the show field opens early, so try to get there by 7:00 a.m. if possible. The event does not allow any cars to enter the show field after 9:00 a.m.

Note 2: Your Opel does not need to be a show car, however, it does need to be clean and presentable. Dirty, bug covered cars are not well received at Concorso Italiano, so spend a little time before hand, to clean and prep your Opel before driving on the field, you can always touch it up on site if need be.

Note 3: If you wish to attend, and would rather not pay the entry fee, let me know in advance. I will see if I can arrange seating in Opels that will be displayed that have an empty passenger seat. 2 people are allowed per registered car in attendance. * You must be in the car at the time it enters the show field! *

Note 4: Registered non-Italian cars owners and passenger have access to the non-Italian pavilion which provide the car owner and passenger complimentary snacks and drinks. Food and drink vendors are rather pricey, so be prepared with some extra cash.

Note 5: Make sure to wear a hat, bring sun glasses and sunscreen. Folding chairs are a good idea too, however it's not mandatory unless you want to sit by the Opels on display. If you are planning to bring a camera, make sure to bring plenty of batteries and film/memory cards.

OMC 30th Anniversary Celebration

August 13-15, 2010, Laguna Seca in Monterey California, USA

Laguna Seca: OMC has reserved 3 premier trackside campsites between turn 9 and 10 almost right on top of turn 10 not far from the famous corkscrew. We are located at campsites 395-396-397. We plan to hang large Opel banners from the fence at our location. Please let us know if you would like to camp at the campsite with us, FREE of charge! Camping begins thursday night August 14th, with a 3 day ticket. *Just be forewarned, this is a very dry and dusty area, so make sure your wife/girlfriend are aware of that and can handle that very special camping atmosphere. It is more of a dude ranch for Opel diehards that love to bench race under the stars until late at night.*

However, bathrooms and shower facilities are available within 1-2 minute walking distance. Space is very limited, so sign up soon to make sure not to miss out. We will also be using this area to BBQ in the day and evening, provide drinks and view the races during the weekend.

Car Corral: OMC has pre-ordered tickets for the Monterey Historic Races along with admission tickets we have secured an OMC Opel Car Corral. OMC will have a prominent display along side numerous other car clubs displaying their cars in the raceway infield. Make sure to register for the Car Corral. The purpose of the Car Corral is that we can all park together, show off our Opels, be part of the event and we don't have to use the general parking areas, which are very dusty and far from the events. Car Corral tickets are an extra \$10.00. However, you get a \$5.00 discount off the race weekend admission ticket. There are 3 levels of tickets that can be purchased:

1. Saturday General admission \$60.00. Add car corral for \$5.00 more.
2. 2 day Admission and Paddock \$90.00. Add car corral for \$5.00 more
3. 3 day Admission and Paddock \$120.00. Add car corral for \$5.00 more

Note: If you have already purchased the Laguna Seca Admission ticket and wish to have your Opel displayed in the Car Corral, OMC will pick up the difference and you will only pay \$5.00 to the OMC to put your Opel on display.

BBQ & Drinks will be located at the campsite, and provided by OMC as a donation optional basis. We want everyone to have a good time, and those who wish to contribute to the food and drinks are encouraged to do so. We will be making a couple of Costco runs in Salinas before and during the event. In addition, there are also many food vendors in the paddock area as well.

Feel free to hang out at the track after the events for Opel fellowship, food and drinks at the trackside camping area, even if you are staying at a local hotel!

Things to bring to Laguna Seca:

1. Hat, sunglasses, sunscreen and a folding chair.
2. Comfortable shoes, a light jacket or windbreaker for the evening.
3. Camera, batteries, film or memory cards.

If you plan to camp, additionally bring:

1. Sleeping bag and single air mattress and air pump.
2. Towel and showering supplies. Change of clothes.
3. Earplugs, incase of being a light sleeper.
4. Toiletries & Sleepwear
